The Massachusetts Coalition for Adult Education will be awarding the MCAE Jessie Cantor Memorial Scholarship on an annual basis to members pursuing professional development in the field of Adult Education. The amount and number of awards will be determined by the amount of funds available, the number of applicants (awards will not exceed one thousand dollars/\$1000 per applicant per year), and the quality of the proposals. (No scholarships will be given if none of the requests are judged appropriate.)

### **Scholarship Eligibility Criteria:**

1. Applicants must be members in good standing for **at least one year** at the time of application.
2. Individuals working on entry level degrees will be given priority over those working on advanced degrees.
3. The scholarship money will be paid directly to the institution or vendor offering the professional development program.
4. Applicants must be working or volunteering in some area of the adult education field.
5. Applicants must not be receiving other funding that would prevent acceptance of this award.

### **Applicants should submit a package containing the following:**
